**August 2005**

## **HOIST CONTINUES TO EXCEED EXPECTATIONS IN THE INDUSTRY!!**

Hoist Companies, a manufacturer of heavy-duty compact, electric and internal combustion forklifts and tow tractors, is pleased to be named to the *Modern Materials Handling* "Top 20 Lift Truck Suppliers in the World List."

President Marty Flaska stated, "This proves the factory improvements and increased quality goals have come to fruition. We could not have made this list without the support of our dealers and customers."

Hoist is forecasting another great year and recently announced that they can once again meet a 4-6 week delivery on all heart of the line products including F Series, P Series, Titan and Lazer models. Contact your regional sales manager for more details.
