Hoist Liftruck to Exhibit Completely Redesigned Neptune at the 2010 Miami Boat Show

Come check us out at booth 3409 at this year's [Miami Boat Show & Strictly Sail](#), February 11th through 15th, where you can see Hoist's completely redesigned Neptune model M250, built for Hidden Harbor Marina in Pompano Beach, Florida. You'll be able to see hands on, the Neptune's many features.

The Neptune Series offers premium **STANDARD** features ideal for your Marina and boat handling needs. The Neptune Series has a capacity range of 15,000-55,000 pounds. Standard features include a high performance tier-compliant Cummins QSB diesel engine; galvanization and a three-step paint process for maximum corrosion protection; advanced rubber fork covering system; intuitive electronic joystick controls; luxury air-ride seat; algae filter system; and Remote Tech vehicle management system. Easily removable bolt-on modules such as hydraulic and fuel tanks allow for greater serviceability and greater design flexibility.

The Neptune Series will handle your boats with care, style and class!

Hoist Liftruck Mfg., Inc. manufactures heavy-duty lifting products, ranging in capacity from 6.7 tons to 50 tons. Hoist Liftruck manufactures electric, LPG, and diesel cushion tire trucks, platform and die trucks, LPG and diesel pneumatic tire truck and marina pneumatic trucks. Hoist Liftrucks are engineered for the speed, power, and durability required of any heavy industry. With more than 100 years of proven reliability and quality engineering, Hoist provides the preferred lift truck for performance, serviceability and operator comfort.
